

TAL Education Group

Investor Presentation

January 2020

Disclaimer

This presentation has been prepared by TAL Education Group (the “Company”) solely for informational purposes and does not constitute an offer to sell or issue or the solicitation of an offer to buy or acquire securities of the Company in any jurisdiction or an inducement to enter into investment activity, nor may it or any part of it form the basis of or be relied on in connection with any contract or commitment whatsoever.

This presentation does not contain all relevant information relating to the Company or its securities, particularly with respect to the risks and special considerations involved with an investment in the securities of the Company. No part of this document shall form the basis of or be relied upon in connection with any contract or commitment whatsoever.

This presentation has been prepared by the Company solely for use at this presentation. The information contained in this presentation has not been independently verified. No representation, warranty or undertaking, express or implied, is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information or the opinions contained herein. None of the Company or any of its affiliates, directors, officers, advisors or representatives will be liable (in negligence or otherwise) for any loss howsoever arising from any use of this presentation or its contents or otherwise arising from or in connection with the presentation.

This presentation contains statements that constitute forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These statements include descriptions regarding the intent, belief or current expectations of the Company or its officers with respect to the consolidated results of operations and financial condition of the Company, which can be identified by terminology such as “will,” “expects,” “anticipates,” “future,” “intends,” “plans,” “believes,” “estimates,” “confident” and similar statements. Such forward-looking statements are not guarantees of future performance and involve risks and uncertainties, and actual results may differ from those in the forward-looking statements as a result of various factors and assumptions. The Company or any of its affiliates, directors, officers, advisors or representatives has no obligation and does not undertake to revise forward-looking statements to reflect future events or circumstances.

Mission, Vision and Values of TAL

Company Highlights

Industry Leader in Large and Attractive Market

Strong Brand, Recognized for High Quality Teaching, Proprietary Content, and Student Outcomes

Significant Scale and Reach Offline and Online

Strong Operational Performance with Consistent Growth

High Visibility Recurring Revenue Model with Strong Cash Flow

Leading Edge of Science and Technology Development

What We Do

Comprehensive Tutoring Service Offering

We develop multi-subject, multi-year relationships with our students

We Cover Core Subjects in the K-12 School Curriculum ¹

		Primary School						Middle School			High School

Reform of College Entrance Examination Creates New Opportunities

Examination-Focused Education System

Examination-Focused Education System

1 “3+Comprehensive Exam” to “3+3”

3+Comprehensive Exam: Choose between Comprehensive Liberal Arts and Comprehensive Science

3+3: Choose 3 courses among Physics, Chemistry, Biology, Politics, History and Geography

- Reform of college entrance exam has influenced High School Entrance Exam.
- Longer period, more Complicated rules and increased uncertainty push students to prepare earlier.

2 Gradually Uniform College Entrance Exam

- Efficiency of content development will improve.

Based Upon High Teaching Quality and Differentiated Proprietary Content

Optimized Teacher Management System

Selective Hiring Process

- Top university graduates
- Rounds of tests and interviews

Comprehensive Training

- Comprehensive new teacher training
- Regular ongoing training

Rigorous Evaluation Process

- Continuous evaluation
- Performance based compensation

Proprietary Content Development

Review local curriculum requirements

Analyze latest trends

Develop tailored course materials

Collect teacher and student feedback

Regular evaluation and improvement process

In-house content development team of over 1000 people

External education experts hired as advisors

IP transfer and content license agreements with leading international publishers for English subject areas

Straightforward Strategy to Expand Scale Both Offline and Online

Growth Strategy

- 1 Further penetrate existing markets by both online and offline offerings
- 2 Enter new markets: Target to enter new cities each year
- 3 Enhance content offering across subjects and grade levels
- 4 Maintain premium pricing while diversifying programs
- 5 Polishing online and mobile offerings, expanding online engagement

Online and Mobile Platform Now Covers the Student Lifecycle

US\$MM

Deferred Revenues

US\$MM

Free Cash Flow

US\$MM

1: The Group adopted Revenue from Contracts with Customers ("Topic 606") on March 1, 2018. Reclassification was made from deferred revenue to accrued expenses and other current liabilities for tuition collected that may be refunded to the customers in the future if students withdraw from a course for any remaining classes. The Group adopted government policy from the Third Quarter of Fiscal Year 2019 that advanced tuition fees of more than three months may not be collected.

2: Capital expenditure in fiscal year 2012 was US\$74.3 million. The significant increase was primarily related to the purchase of office space for headquarter in Beijing in the amount of \$62.5 million.

3: The Group adopted ASU 2016-09 standard on March 1, 2017. The retrospective application resulted in a \$9.4 million and \$19.5 million reclassification of these cash outflows from operating activities to financing activities on our consolidated statements of cash flows for the years ended February 29, 2016 and February 28, 2017, respectively.

4: Capital expenditure in fiscal year 2019 was US\$353.3 million. The significant increase was mainly due to prepayments for purchase of land use right of \$209.9 million.

Experienced Management Team and Distinguished Board
