Investor Presentation

July 2016

Disclaimer

This presentation has been prepared by TAL Education Group (the “Company”) solely for informational purposes and does not constitute an offer to sell or issue or the solicitation of an offer to buy or acquire securities of the Company in any jurisdiction or an inducement to enter into investment activity, nor may it or any part of it form the basis of or be relied on in connection with any contract or commitment whatsoever.

This presentation does not contain all relevant information relating to the Company or its securities, particularly with respect to the risks and special considerations involved with an investment in the securities of the Company. No part of this document shall form the basis of or be relied upon in connection with any contract or commitment whatsoever.

This presentation has been prepared by the Company solely for use at this presentation. The information contained in this presentation has not been independently verified. No representation, warranty or undertaking, express or implied, is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information or the opinions contained herein. None of the Company or any of its affiliates, directors, officers, advisors or representatives will be liable (in negligence or otherwise) for any loss howsoever arising from any use of this presentation or its contents or otherwise arising from or in connection with the presentation.

This presentation contains statements that constitute forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These statements include descriptions regarding the intent, belief or current expectations of the Company or its officers with respect to the consolidated results of operations and financial condition of the Company, which can be identified by terminology such as “will,” “expects,” “anticipates,” “future,” “intends,” “plans,” “believes,” “estimates,” “confident” and similar statements. Such forward-looking statements are not guarantees of future performance and involve risks and uncertainties, and actual results may differ from those in the forward-looking statements as a result of various factors and assumptions. The Company or any of its affiliates, directors, officers, advisors or representatives has no obligation and does not undertake to revise forward-looking statements to reflect future events or circumstances.

Province with learning center coverage

Province not yet covered by TAL learning center network

Complemented by Continued Focus Online

Accelerated Investment in New Technologies Across Online Platform

Online Platform Now Covers the Student Lifecycle

Minority Strategic Investment

Main portal to TAL Education's education-related websites

Babytree 宝宝·树	youjiao.com 幼教网	yingyu.com 英语网	aoshu.com 奥数网	zhongkao.com 中考网	gaokao.com 高考网	kaoyan.com 考研网
Social platform for expecting and young parents	Preschool, kindergarten, and preparation for primary school admissions	English language study and related examinations	Mathematics, competitions, and preparation for middle school admissions	Preparation for China's high school admissions test	Preparation for China's college entrance examination	Preparation for China's postgraduate entrance examination

Note: Jiazhongbang APP was elected as one of the Top K-12 APPs and Kaoyanbang APP was elected as one of the Top Examination APPs by Sina Education Channel in November, 2014.

Babytree is a minority investment announced in January 2014.

While Online School is Also Gaining Traction

Leading K-12 Online Tutoring Brand¹

Growing Online Revenue

¹ Source: 2013 China Online Education Report (《新浪2013中国在线教育调查报告》) by AC Nielsen and sina.com.

Strong Enrollment Growth Keep Driving Topline Growth

¹ Defined as total student enrollments of small class, personalized premium service (1-on-1) and online courses.

Refer to the cumulative total number of courses enrolled in and paid for by our students, including multiple courses enrolled in and paid for by the same student.

Year-Over-Year Growth of the Core Small Class Business

	Q1 FY2017	Q1 FY2016
Revenue in RMB	69%	54%
Enrollment	61%	44%

Q1 FY 2017 Revenue Contribution

Q1 FY 2016 Revenue Contribution

Increased Costs & Operating Expenses Reflect Investment in Future Growth

Gross Profit

Margin: 46.2% 48.8% 51.7% 53.2% 51.0% 52.9% 48.5%

Operating Income

Margin: 11.8% 13.9% 18.3% 15.5% 13.7% 15.1% 9.0%

SG&A

% of Revenue

While High Visibility Cash Flows Provide Strength to Balance Sheet

1: Capital expenditure in fiscal 2012 was US\$74.3 million. The significant increase was primarily related to the purchase of office space for headquarter in Beijing in the amount of \$62.5 million. The capital expenditure of US\$12 million in fiscal 2012 shown in the graph is excluding the impact from the purchase of this office space.
